POLITE PUBLIC NOTICE THE WAR MEMORIAL ON MARKET STREET

The War Memorial on Market Street is specifically intended to commemorate all those who have suffered in the line of duty as per the inscription on it which reads:

“To those men of this town who went forth to fight for God King and Country and came not back again”

Military Associations, Veteran Organisations and related bodies all feel very strongly the importance of maintaining such memorials in honour of comrades past and present.

This is not a memorial for public use for personal tributes to private family members or similar.

Please refrain from putting personal tributes on the war memorial as they will be moved to one side so the purpose of the memorial is not altered.

Thank you for your cooperation
