SANDWICH TOLL BRIDGE FUND

CHILD PROTECTION & VULNERABLE ADULTS PROFORMA GUIDANCE NOTES

Please read the following notes carefully before completing the proforma

Sandwich Toll Bridge Fund recognises that the protection and safety of children, young people and vulnerable adults is everyone's responsibility. The Charity is committed to this principle and to the development of best practice within those community groups which it supports.

Definition of Children and Young People

Those who have not yet reached their eighteenth birthday.

Definition of Vulnerable Adults

The Charity defines a vulnerable adult based on the Law Commission's definition – that is, a person who:

'is or may be in need of community care services by reason of mental or other disability, age or illness; and who is or may be unable to take care of him or herself against significant harm or exploitation'.

In clarifying this further, the Charity adopts the Department of Health's guidance in that an 'adult' refers to a person aged 18 years or over and that people with learning difficulties, mental health problems, older people and people with a disability or impairment will be included within this definition, particularly when their situation is complicated by additional factors, such as physical frailty or chronic illness, sensory impairment, challenging behaviour, drug or alcohol problems, social or emotional problems, poverty or homelessness.

The approach that the Charity will take is based on and reflects the principles of both legislation and guidance and is that:

- the welfare of the child, young person or vulnerable adult is the paramount consideration
- all children, young people and vulnerable adults, regardless of age, disability, gender, racial or ethnic origin, religious belief and sexual orientation have a right to protection from harm or abuse.

The Charity requires that all groups seeking funding for activities which involve the delivery of services to children and young people have the following in place:

- an acceptable child protection policy, which addresses recruitment and selection procedures, and issues of confidentiality;
- relevant procedures for reporting concerns relating to the protection of children and young people, which have been designed to complement local area Child Protection Committee procedure;

- a Code of Practice highlighting acceptable behaviour with children and young people.

What if we are a community centre?

If you are a Community Centre you should have appropriate policies in place which ensure that your users are aware of their duty of care for children, young people and vulnerable adults.

What if our organisation does not work with children, young people or vulnerable adults?

There may be instances where you do not currently work with children, young people or vulnerable adults. In such cases it is reasonable that you do not have policies in place. However, you must be aware that, if at any time during the life of the project these circumstances change and you do start to work with these groups, you will be required to introduce the appropriate policies and comply with all necessary legislation.

What if we work with children, young people or vulnerable adults and we don't have an appropriate policy?

If your organisation works with children, young people or vulnerable adults, it is your responsibility to ensure their safety and well-being during their time with you. You must have appropriate policies in place to help you meet your responsibilities.

For child protection related issues there is the NSPCC help and advice helpline for enquiries from adults (0808 800 5000) or if you have queries about protecting vulnerable adults you should contact the social services department of your local authority.

The Charity can not make payments if appropriate policies are not in place.

The Charity's policy on the protection of children, young people and vulnerable adults means that it can not make payments to any organisation working with such groups that does not have appropriate policies in place.

Your project can only be processed if:

- you have completed the attached form confirming that you do have appropriate policies in place

OR

- you confirm that you do not work with such groups and that you will take all necessary steps to put policies in place if you do start to work with such groups during the life of the project.

The standard terms and conditions attached to all grants awarded by Sandwich Toll Bridge Fund state that all relevant official legislation (see attached list) and other requirements relating to individuals who are considered vulnerable are to be complied with at all times.
