Telephone / Internet Supplier	

Neighbours – could you please make yourselves aware of anyone in your vicinity that *may need your help in an emergency*, and use the appropriate contact number above to get help for them. We are sure that you would also do all you can yourselves to help them. Thank you!

The Sandwich Guildhall and Sandwich Technology School would be used as control and rest centres for most types of emergency, where evacuation from homes is necessary. Both are fully equipped to deal with emergency situations
